

Sunday at the Winterton Arms

At The Winterton Arms, we prepare all our food in-house (with the exception of our breads). Our menu is guided by the seasons and a commitment to sustainability. We proudly source our fresh ingredients from across the British Isles wherever possible. All our fish is MSC certified, and our beef and lamb are always grass-fed and free-range.

(vg) – vegan (v) – vegetarian / (vgo) vegan option / (gf) – gluten free / (gfo) – gluten free option / (n) – contains nuts

Before you order your food & drinks, please inform a member of staff if you have any food allergies or intolerance
